MEMORANDUM FOR THE MEMBERS OF USCIB

SUBJECT: Appointment of SUSLO, Ottawa

1. As you know, Major Robert Morin's tour of duty as SUSLO, Ottawa, will expire in June of this year. As his replacement, the Director proposes to appoint Major Ralph R. Barch, U. S. Army (Reserve), who is currently assigned to NSA.

2. Major Barch is an Army Security Agency career officer with twelve years of experience in the cryptologic field. Prior to reporting to NSA in December 1953, he was assigned to Army Security Agency, Europe (ASAE) for three years. During this tour, Major Barch performed liaison duties which included briefing the Commanding General, Seventh Army, on communications intelligence matters. This was followed by an assignment as Commanding Officer of the 332nd Communications Reconnaissance Company. He completed this European tour with nine months' duty as a representative of the Chief, ASAE, on the staff of SUSLO, London.

3. The Director considers Major Barch very well qualified and, accordingly, recommends USCIB approval of his appointment as SUSLO, Ottawa.
