SUBJECT: M-209's Sent to French Indo-China

TO

Assistant Chief of Staff, G-2 Department of the Army The Pentagon

- 1. By letter dated 12 January 1954, Serial 00015-5, the Director, Mational Security Agency, concurred in the proposal of the Department of the Army to release 350 M-209's to the French for use in French Indo-China.
- \$. The desired machines were shipped to Indo-China and on arrival there on 1 April 1954 were receipted for by French authorities as having arrived in good condition.
- 1. It is possible that these machines arrived too late to be employed and hence may never have been used or even taken cut of the boxes in which they were shipped.
- A. In the light of the Department of the Army policy with respect to the disposal of crypto-apparatus, including Converter M-209, it is recommended that steps be taken to ascertain the present whereabouts of these 350 M-209's, if not distributed to troops, in order to forestell the possibility of their being seld as surplus property or otherwise disposed of in a manner contrary to the interests of the United States.
