Dear Mr. Wilson:

Your telephone call of March 18 was very much appreciated and I trust the Friedman photograph arrived in good order.

Regarding a trip to Lexington, we are most anxious for you and the gentleman you mentioned to visit the Marshall Library to discuss the Friedman collection. In our conversation you mentioned a date in June as a suitable time in your schedule. This certainly is acceptable to us, however, if business necessitates an earlier trip in this direction do not hesitate to arrange an earlier meeting. In the meantime, let us plan to definitely meet in Lexington in June. May I suggest you determine the exact dates since the visit will involve more time and effort on your part.

Your continued interest in the Friedman material and the Marshall Library is greatly appreciated and I look forward to our association in the future.

Royster joins me in kindest regards.

Sincerely,

Tony
