Lieutenant General Lincoln D. Faurer, USAF  
Director  
National Security Agency  
Fort George G. Meade, MD 20755

Dear General Faurer:

Your Chief of Information Security, Mike Levin, provided me an excellent briefing concerning the allegations that the National Security Agency (NSA) improperly classified documents at the George Marshall Library, located at the Virginia Military Institute. I appreciate your assistance in arranging the briefing.

As a result of the briefing and a careful evaluation of the circumstances, I am satisfied that the NSA acted in compliance with the provisions of Executive Order 12356 and Information Security Oversight Office Directive No. 1. At this time I plan to take no further action on this matter.

I appreciate NSA's continuing cooperation in our oversight of the information security program.

Sincerely,

STEVEN GARFINKEL  
Director
